## Safe Journey

Your safety is a priority. That's why your union offers Safe Journey through your member assistance program.

Safe Journey is a transportation reimbursement program. It encourages you to call a cab or ride-sharing service when it is not safe for you to drive or ride with someone because of excessive alcohol consumption or another impairment. The program is available seven days a week. It will reimburse you for two one-way cab rides a year, up to \$50 per ride.

### How the program works

- You call any ride-sharing service, pay for a ride home, and get a receipt.
- To begin a Safe Journey claim, email LifeSolutions at [LifeSolutions@upmc.edu](mailto:LifeSolutions@upmc.edu) requesting reimbursement.
- A Safe Journey administrator will send a reply to explain how to file your claim. You'll email your receipt to LifeSolutions and provide your contact information.

- You will receive a non-personalized debit card in the mail. A PIN will be emailed to you from [LifeSolutions@upmc.edu](mailto:LifeSolutions@upmc.edu). If you do not have an email address, we will call you to make arrangements to provide the PIN another way.
- The debit card will be for the amount of the ride, up to \$50. Any cost beyond \$50 is your responsibility.
